Dear 7th & 8th Grade Students and Parents of Region One,

11/20/2017

You are cordially invited to attend a very exciting event at Housatonic Valley Regional High School on Thursday, December 7<sup>th</sup> from 6:00-8:00 pm. The school administration and teachers are hosting an information night - open to all Region One 7<sup>th</sup> and 8<sup>th</sup> graders and parents.

You will have an opportunity to meet with teachers, administrators, and school personnel to discuss any and all aspects of our school program. Self-guided or student guided tours will give prospective students a chance to see our abundant resources and great programs.

Because a successful high school experience isn't only about academics, there will be representatives from clubs, activities, and athletics that are open to all students at HVRHS. Come and see representatives from robotics, sports teams, theater, student government, FFA, envirothon, and much more.

As you think about the transition to high school, I want to assure you that we are already getting excited about welcoming the class of 2022 to Housatonic Valley Regional High School.

Respectfully yours,

**J. Martinez**

Jose Martinez,  
Principal of Housatonic Valley Regional High School
