

I write urging you to become a member of the HVRHS FFA Alumni. You do not need to have been an agricultural student or a HVRHS graduate. **You only need to support agriculture and student learning.** Our role is to support and promote the FFA student organization especially at the local level. These outstanding young people are also involved in state and national activities, which leads the Alumni to providing funds to assist their participation. They attend an annual leadership conference in Washington D.C., the National FFA Convention in Indianapolis, and exchange visits with other chapters throughout the United States. The Alumni also provides support for their future endeavors through varied scholarships, awards, loans, and grants.

The Alumni contributes to student activities through proceeds from our Chicken BBQ and other Alumni fundraising events. Members may judge student demonstrations, chaperone field trips, organize and volunteer at events, attend local chapter meetings and pay annual dues--unless you choose to be a life member.

Through your membership you will gain greater knowledge and understanding of the students' FFA experience, and you can take pride in contributing to their agricultural education. Local Annual dues are \$20, and Life Membership is \$200 (includes State & National Membership). Please mail your membership form and check to Ellery W. Sinclair, 201 Under Mountain Road, Falls Village, CT 06031. Please include the form below. Thank you very much for your consideration. Be well and safe.

Sincerely,

Ellery W. Sinclair, Membership Chairman  
Mark Burdick, Membership Co-Chair

Robert Klimer, President  
Wendy Kennedy, Treasurer

Bryant Massey, Vice-President  
Josh Allyn, Sentinel

Sara Jack, Secretary  
Karen Davenport, Reporter

Ellery Sinclair, Mark Burdick, Co- Membership Chairman & David Moran, Advisor
